LADA Sport ROSNEFT team: results in May

LADA Sport ROSNEFT, the most representative and successful team in Russian Autosport, continues its winning streak in the new racing season. The results of the first races are promising in every discipline.

SMP RCRS. After the start of the season, the pilots of the team, who perform in the "Touring" class, and the team itself are confidently leading in the Russian Championship. In "Super-Production": Vladimir Sheshenin takes the third place in the standings, the fifth is still occupied by Andrey Petukhov. In the "Touring Light" Leonid Panfilov and Ivan Chubarov are still on the 4th and 5th lines of the championship table. In both standings, LADA Sport ROSNEFT "comes on the heels" of the leaders of the team standings. The next stage of the series will take place on June 20 at the Nizhny Novgorod Ring ring.

Rally. The crew of Dmitry Voronov and Viktor Posern still knows no defeats in the Russian Rally Cup. Each time, the yellow LADA Granta finished first in its class. The only misfire was made by the team's drivers at the recent rally battle "Abrau Durso", but that race was not included in the stages of the Russian Cup and did not affect the position of the LADA Sport ROSNEFT pilots. Next appearance of the factory crew on the special stages of the rally "900 Lakes", which will be held in early July in the Pskov region.

Carting. Grigory Primak, who heads the Russian Championship in the "OK" class, has the best results to date. He won not only the 1st stage of the season, but also the first place in the second final of the second stage. Waiting for Grigory and his teammates to show the results at the next stage of the Championship and the National Championship, which will be held on July 2-4 at the Atron highway in Ryazan.

Cybersport. Kirill Antonov leads the overall classification after the 2nd stage of the LADA Sport ROSNEFT championship, surpassing the results of both his teammates and the strongest foreign participants of the tournament. In addition, the pilots of cyber team successfully perform on the world stage. In the last races of May, Cupra Simracing Series 2021 championship, Kirill Antonov won qualification and first race, but in the second race luck was not on his side. Nevertheless, after the second stage, he is in 6th place in the overall qualification.
